## **CONFIRMATION AND CANCELLATION POLICY**

Upon receipt of registration and payment, you will receive an email confirmation. If payment is not received 4 days prior to this activity, space will not be reserved. We recommend that you secure payment with your own credit card, then seek reimbursement from your employer (where appropriate).

Registration fees will be refunded (less a \$50 administrative fee) for written cancellations (emails and faxed requests are acceptable) received a minimum of 14 days prior to the activity date. No refunds will be granted for registration fees of less than \$50 or for cancellations made within 13 days of the activity.

The University of Virginia School of Medicine reserves the right to cancel CME activities if necessary. In this case, the entire registration fee will be refunded. All other expenses incurred in conjunction with this CME activity are the sole responsibility of the participant.

## **ACCOMMODATIONS**

## **SPECIAL NEEDS**

The Americans with Disabilities Act of 1990 requires that all individuals, regardless of their disabilities, have equal access. The Office of Continuing Medical Education at the University of Virginia School of Medicine is pleased to assist participants with special needs. Written requests must be received 30 days prior to the conference date. These should be mailed to UVA Office of Continuing Medical Education, Box 800711, Charlottesville, VA 22908 or to [uvacme@virginia.edu](mailto:uvacme@virginia.edu). Some of the conference venues used by the University of Virginia Office of Continuing Medical Education are registered historic properties and may not be fully ADA accessible. Please feel free to contact the facility if you have specific questions.

## **COURSE LOCATION AND PARKING**

The conference will be held in the Jordan Hall Conference Center at the University of Virginia Health System. **Parking for Saturdays only is available in the McLeod Parking Garage under the School of Nursing. Directions available at [www.cmevillage.com](http://www.cmevillage.com).**

## CONFERENCE OVERVIEW

The Humphries Symposium is dedicated to providing the clinical ophthalmologist with opportunities to increase knowledge and competence related to the most up-to-date diagnostic and therapeutic interventions and to reflect on how this information might lead to changes in their daily practice. This year's Symposium focuses on glaucoma. Dr. Douglas R. Anderson of the Bascom Palmer Eye Institute will provide a series of lectures on the diagnosis and treatment of glaucoma. Department of Ophthalmology Alumni and Faculty and other guest speakers will augment his presentations with additional information and present research updates from their respective subspecialties.

## LEARNING OBJECTIVES

*Upon completion of the Symposium, participants will be able to:*

- Describe the currently recommended management plan for normal-tension glaucoma
- Integrate newer diagnostic and glaucoma monitoring methods into daily practice
- Differentiate between normal pressure glaucoma and other optic neuropathies in the absence of elevated IOP
- Describe strategies for improving patient adherence to glaucoma management protocols
- Relate the relevance of recent research advances to their clinical field

## ACCREDITATION AND DESIGNATION STATEMENT

### Direct Sponsorship Accreditation and Designation Statement

The University of Virginia School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of Virginia School of Medicine designates this educational activity for a maximum of *6 AMA PRA Category 1 Credits*.™ Physicians should only claim credit commensurate with the extent of their participation in the activity.

### Continuing Education Credit

The University of Virginia School of Medicine awards 0.1 CEU per contact hour to each non-physician participant who successfully completes this educational activity. The CEU (Continuing Education Unit) is a nationally recognized unit of measure for continuing education and training activities that meet specific educational planning requirements. ## **DISCLOSURE STATEMENTS**

### **Disclosure of faculty financial affiliations**

The University of Virginia School of Medicine, as an ACCME accredited provider, endorses and strives to comply with the Accreditation Council for Continuing Medical Education (ACCME) Standards of Commercial Support, Commonwealth of Virginia statutes, University of Virginia policies and procedures, and associated federal and private regulations and guidelines on the need for disclosure and monitoring of proprietary and financial interests that may affect the scientific integrity and balance of content delivered in continuing medical education activities under our auspices.

The University of Virginia School of Medicine requires that all CME activities accredited through this institution be developed independently and be scientifically rigorous, balanced and objective in the presentation/discussion of its content, theories and practices.

All faculty presenters participating in an accredited CME activity are expected to disclose relevant financial relationships with commercial entities occurring within the past 12 months (such as grants or research support, employee, consultant, stock holder, member of speakers bureau, etc.). The University of Virginia School of Medicine will employ appropriate mechanisms to resolve potential conflicts of interest to maintain the standards of fair and balanced education to the reader. Questions about specific strategies can be directed to the Office of Continuing Medical Education, University of Virginia School of Medicine, Charlottesville, Virginia.

The faculty and staff of the University of Virginia Office of Continuing Medical Education have no financial affiliations to disclose.

### **Disclosure of discussion of non-FDA approved uses for pharmaceutical products and/or medical devices**

The University of Virginia School of Medicine, as an ACCME provider, requires that all faculty presenters identify and disclose any off-label uses for pharmaceutical and medical device products. The University of Virginia School of Medicine recommends that each physician fully review all the available data on new products or procedures prior to clinical use.

### **Disclosure for attendance records and certificate distribution**

The University of Virginia Office of Continuing Medical Education requires that all participants at live CME activities sign attendance sheets daily to confirm participation in the CME activity for that day. Certificates of attendance designating the maximum number of hours of participation are distributed to each participant at the CME activity. Participants are responsible for accurately tracking their actual participation at live events.
