

3H Riboprobe
Center for Research in Reproduction
Molecular Biology Core

Priority A & B User:

--

 (NICHD/RSB approved)

Priority C User:

Investigator: _____ Department: _____

Phone: _____ Messenger Mail: _____

Date submitted: _____ Submitted by: _____

Old FAS Account Code: _____

PTAEO				
Project	Task	Award	Expend Type	Org Code

3H Riboprobe:

Name of probe: _____

Length of vector: _____ Length of probe: _____

Concentration: _____

Sense digest: _____

Sense polymerase: _____

Antisense digest: _____

Antisense polymerase: _____

*Please provide a map of your construct

Date Ready: _____ Picked up by: _____
