

# CAMPAIGN LEADERSHIP GIFTS

The Campaign for Health has touched almost every corner of the UVA Health System. It helps provide resources for faculty and students, seed money for innovation and discovery, and the support our doctors and nurses need to pioneer new therapies for their patients.

**This list represents gifts of \$100,000 or more made to any area of the Health System through June 30, 2010.** We have done our best to ensure that every campaign gift made during this period has been recognized here. If we missed your gift, or listed your name in error, we apologize and ask that you please notify the UVA Health Foundation at (800) 297-0102 or (434) 924-8432.

**Every gift—no matter what the size—is truly important to the work we do. Thank you for your support!**
