

Publications

of the International Health Care Worker Safety Center University of Virginia

2007

Yoshikawa T, Perry J, Tomiyama J, Williams ME, Jagger J. Preventable Deaths from Sternal Bone Marrow Aspiration. Submitted for publication June 2006.

Yoshikawa T, Kidouchi K, Kimura S, Okubo T, Perry J, Jagger J. Needlestick injuries to the feet of Japanese healthcare workers: a culture-specific exposure risk. *Infection Control and Hospital Epidemiology* 2007 (Feb.);28(2):215-18.

Jagger J. Caring for healthcare workers: a global perspective. *Infection Control and Hospital Epidemiology*. 2007 (Jan.);28(1):1-4. (Pub'd on-line Jan. 3, 2007)

2006

Leiss J, Ratcliffe J, Lyden J, Sousa S, Orelie J, Boal W, Jagger J. Blood exposure among paramedics: incidence rates from the National Study to Prevent Blood Exposure in Paramedics. *Annals of Epidemiology* (published on-line April 3, 2006; forthcoming in print in 2007).

Perry JL, Jagger J. Obstetrician-to-patient HIV transmission [letter]. *AIDS* 2006 (Aug 22);20(13):1785-6.

Perry JL, Pearson RD, Jagger J. Infected healthcare workers and patient safety: a double standard. *American Journal of Infection Control*, 2006 (June);34(5):314-9.

***Nursing* “Exposure Safety” column:**

Perry J, Jagger J. Waking up to the benefits of safety I.V. catheters. *Nursing* 2006;36(2):68. [final column]

2005

Perry J, Jagger J. Slash sharps risk for surgical personnel. *OR Insider* November 2005 (supplement to *Nursing Management* vol. 36, no. 11):28-9.

Perry J, Jagger J. Reducing sharps injury risk in intensive care settings. 2005 (June). On-line publication at bloodgas.org (www.bloodgas.org/needleinjury).

***Nursing* “Exposure Safety” column:**

Perry J, Jagger J. FAQs about implementing safety devices. *Nursing* 2005;35(10):74-6.

Perry J, Jagger J. Cutting sharps risks in ICUs and CCUs. *Nursing* 2005;35(8):17.

Perry J, Jagger J. Sharps safety update: are we there yet? *Nursing* 2005;35(6):17.

Perry J, Jagger J. Pass with care in the OR. *Nursing* 2005;35(2):70.

***Outpatient Surgery Magazine* “Safety” column:**

Perry J, Jagger J. Sharpless surgery: a quiet revolution. *Outpatient Surgery Magazine*

2005 (October);6(10):93-95. [final column]

Perry J. How to handle a bleeding surgeon. *Outpatient Surgery Magazine*. 2005 (Feb.);6(2).

2004

(book) Jagger J, Perry J, eds. *Preventing Occupational Exposure to Bloodborne Pathogens: Articles from Advances in Exposure Prevention, 1994-2003*. Charlottesville, VA: International Healthcare Worker Safety Center, University of Virginia Health System, 2004.

Panlilio AL, Orelie JG, Srivastava PU, Jagger J, Cohn RD, Cardo DM; The NaSH Surveillance Group (CDC); The EPINet Data Sharing Network. Estimate of the annual number of percutaneous injuries among hospital-based healthcare workers in the United States, 1997-1998. *Infection Control and Hospital Epidemiology*. 2004;25(7):556-562.

Perry J, Jagger J. Ground-breaking citations issued by OSHA for failure to use safety devices. *Journal of the Association of Occupational Health Professionals in Healthcare (AOHP Journal)*. 2004 (Summer);24(3):20-22.

Perry J, Metules T. How to avoid needlesticks. *RN (November)*. 2004;67(11):28ns2-28ns8 (special Needlestick Supplement).

Perry J, Robinson ES, Jagger J. Needle-stick and sharps-safety survey: getting to the point about preventable injuries. *Nursing2004 (Apr)*;34(4):43-47.

***Nursing* “Exposure Safety” column:**

Perry J, Jagger J. Getting the most from your personal protective gear. *Nursing*. 2004;34(12):72.

Perry J, Jagger J. Collecting umbilical cord blood. *Nursing*. 2004;34(10):20.

Perry J, Jagger J. Tips on implementing safety devices. *Nursing*. 2004;34(8):73.

Perry J, Jagger J. A tale of two safety conversions. *Nursing*. 2004;34(6):70.

Perry J, Jagger J. OSHA cracks down on sharps safety violators. *Nursing*. 2004;34(3):68.

Perry J, Jagger J. Administering smallpox vaccine: a two-pronged risk. *Nursing*. 2004;34(1):30.

***Outpatient Surgery Magazine* “Safety” column:**

Perry J. Survey says sharps safety lagging. *Outpatient Surgery Magazine*. 2004 (Sept.);5(9):99.

Perry J. The CDC Workbook: Total sharps-injury improvement. *Outpatient Surgery Magazine*. 2004 (June);5(6):84-85.

Perry J. One surgeon's crusade for safer ORs. *Outpatient Surgery Magazine*. 2004 (Feb.);5(2):68-70.

Perry J. Only total safety-sharps compliance will do. *Outpatient Surgery Magazine*. 2004 (Jan.);5(1):59-61.

2003

Parker, G. Needlestick injuries: a paramedic's perspective. *Emergency Medical Services: Journal of Emergency Care, Rescue and Transportation*. 2003 (Sept.);32(9):132-133.

Perry J, Jagger J. On-the-job exposure to HIV. *Emergency Medical Services: Journal of Emergency Care, Rescue and Transportation*. 2003 (Sept.);32(9):131-132.

Perry J, Jagger J. A surgeon, a suture needle—and hepatitis C. *Outpatient Surgery Magazine*. 2003 (March);4(3):64-70.

Perry J, Jagger J. Mesures réglementaires et législatives mises en place aux Etats-Unis afin de prévenir les expositions professionnelles au sang. *Hygiènes (Revue Officielle de la Société Française d'Hygiène Hospitalière)*. 2003;11(2):186-189.

Perry J, Jagger J. The International Healthcare Worker Safety Center. Wilson D, ed., *Hospital Decisions International*. London: Sovereign Publications Ltd. Spring 2003: 171-173

Jagger J, De Carli G, Perry J, Puro V, Ippolito G. Occupational exposure to bloodborne pathogens: epidemiology and prevention. Chapter 28 in: Wenzel RP, ed., *Prevention and Control of Nosocomial Infections* (4th edition). Baltimore, MD: Lippincott Williams & Wilkins, 2003; pp 430-466. (Published May 2003; Japanese translation published by Adis International Ltd./WoltersKluwer Health, March 2004.)

Jagger J, Perry J. Using needlestick data to target safety device implementation. In Weissman D, Huy J (eds.): *Clinics in Occupational and Environmental Medicine: Occupational Infectious Diseases*. 2002;2(3):557-573. (published in 2003)

***Nursing* “Exposure Safety” column:**

Perry J, Jagger J. Reducing risks from combative patients. *Nursing*. 2003;33(10):28.

Perry J, Jagger J. Don't reuse that blood tube holder. *Nursing*. 2003;33(8):74.

Perry J, Jagger J. Statistically, your risk of HCV infection has dropped. *Nursing*. 2003;33(6):82.

Perry J, Jagger J. Nurses and needlesticks, then and now. *Nursing*. 2003;33(4):22.

Perry J, Jagger J. Lab workers: small group, big risk. *Nursing*. 2003;33(1):72.

***Outpatient Surgery Magazine* “Safety” column:**

Perry J. Preventing more than injuries [sidebar]. *Outpatient Surgery Magazine*. 2003 (Dec);4(12):51.

Perry J. A hepatitis-infected surgeon speaks out on OR safety. *Outpatient Surgery Magazine*. 2003 (Nov.);4(11):68-71.

Perry J. Lessons learned in safety-device implementation. *Outpatient Surgery Magazine*. 2003 (Oct.);4(10):70-72.

Perry J. Improving your sharps safety program. *Outpatient Surgery Magazine*. 2003 (Sept.);4(9):94-96.

Perry J. Protecting your eyes from sprayed, splashed blood. *Outpatient Surgery Magazine*. 2003 (August);4(8):82-83.

Perry J. Conventional sharp devices: A dying breed? *Outpatient Surgery Magazine*. 2003 (June);4(6):70.

Perry J. Reducing the risk of scalpel-blade injuries. *Outpatient Surgery Magazine*. 2003 (May);4(5):98-99.

Perry J. Preventing percutaneous injuries in outpatient settings. *Outpatient Surgery Magazine*. 2003 (April);4(4):94-95.

2002

Jagger J. Are Australia's healthcare workers stuck with inadequate needle protection? [editorial] *Medical Journal of Australia*. 2002;177(8):405-406.

Jagger J. Safer generation of spring-loaded fingerstick lancets [letter]. *Infection Control and Hospital Epidemiology*. 2002;23(6):298-299.

Jagger J, Parker G, Perry J. Safety matters: Comparing U.S., Japanese systems in effective infection control. *Healthcare Purchasing News*. 2002;26(5):46-48.

Jagger J, Perry J. Power in numbers: Using EPINet data to promote protective policies for health care workers. *Journal of Infusion Nursing*. 2002 (Nov./Dec.);25(6S):S15-S20.

Jagger J, Puro V, De Carli G. Occupational transmission of hepatitis C virus [letter; reply]. *Journal of the American Medical Association*. 2002;288(12):1469-1471.

Perry J, Jagger J. Lessons from an HCV-infected surgeon. *Bulletin of the American College of Surgeons*. 2002;87(3):8-13.

Nursing "Exposure Safety" column:

Perry J, Jagger J. Safer needles: Not optional. *Nursing*. 2002;32(10):20.

Jagger J, Perry J. Avoiding blood and body fluid exposures. *Nursing*. 2002;32(8):68.

Jagger J, Perry J. The chaos factor: sharps injuries in the ED. *Nursing*. 2002;32(5).

Jagger J, Perry J. Realistic expectations for safety devices. *Nursing*. 2002;32(3):72.

2001

Mawyer D, Perry J. One nurse's fight. *RN*. 2001;64(4):59-60.

Perry J. Attention all nurses: New legislation puts safer sharps in your hands. *American Journal of Nursing*. 2001;101(9):24AA (Critical Care Extra).

Perry J. The bloodborne pathogens standard, 2001: learn how OSHA's changed standards affect your practice. *Nursing2001*. 2001;31(6):32hn16.

Perry J. The bloodborne pathogens standard, 2001: what's changed? *Nursing Management*. 2001;32(6):25. Also appeared in *Dimensions of Critical Care Nursing*. 2001;20(5):44-45.

Perry J. When home is where the risk is. *Home Healthcare Nurse*. 2001;19(6):338-341.

Perry J, Parker G, Jagger J. Percutaneous injuries in home healthcare settings. *Home Healthcare Nurse*. 2001;19(6):342-344.

Pugliese G, Germanson TP, Bartley J, Luca J, Lamerato L, Cox J, Jagger J. Evaluating sharps safety devices: meeting OSHA's intent. *Infection Control and Hospital Epidemiology*. 2001;22(7):457.

Sagoe-Moses C, Pearson RD, Perry J, Jagger J. Risks to health-care workers in developing countries. *New England Journal of Medicine*. 2001 (8/16/01); 345[7]:538-541.

Nursing "Exposure Safety" column:

Jagger J, Perry J. Beware of glass capillary tubes. *Nursing*. 2001;31(11):92.

Jagger J, Perry J. Reducing risks to anesthesia staff. *Nursing*. 2001;31 (10):85.

Jagger J, Perry J. Reducing sharps injuries in dialysis settings. *Nursing*. 2001;31(6):78.

Jagger J, Perry J. Risky reuse of blood tube holders. *Nursing*. 2001;31(4):24.

Jagger J, Perry J. Risky phlebotomy with a syringe. *Nursing*. 2001;31(2):73.

2000

Jagger J. Is academic medicine for sale? [letter] *New England Journal of Medicine*. 2000;343:509.

Jagger J, Tereskerz PM, Bentley M, Perry J, Pugliese G, Wispelwey B, Petrosillo N, Puro V, Ippolito G. Engineering devices to minimize bloodborne pathogen exposure. Chapter 83 in: *APIC Text of Infection Control and Epidemiology* (revised). Washington, D.C.: Association for Professionals in Infection Control and Epidemiology, Inc., 2000, pp. 83(1)-83(7).

Perry J. Legislating sharps safety: find out how the latest needle-stick prevention legislation will affect your facility. *Nursing2000*. 2000;30(5):50. Also appeared in *Nursing Management*. 2000;31(6):27-28.

Perry J. Needle-stick prevention: legislating sharps safety. *Nursing2000*. 2000;30(7):64.

Perry J. Needle safety laws now on books in 16 states. *Infection Control Today*. 2000;4(10):34-38.

Tereskerz PM. Occupational needlestick injuries: potential criminal culpability for CEOs and health care managers. *Journal of Healthcare Safety Compliance and Infection Control*. 2000;4(4):155-59.

Nursing "Exposure Safety" column:

Jagger J, Perry J. Preventing sharps injuries in the home. *Nursing*. 2000;30(12):73.

Jagger J, Perry J. Safeguarding sharps disposal. *Nursing*. 2000;30(10):26.

Jagger J, Perry J. Safety in the OR. *Nursing*. 2000;30(8):77.

Jagger J, Perry J. Does clinical setting affect injury risk? *Nursing*. 2000;30(6):85.

Jagger J, Perry J. OSHA's push towards safety. *Nursing*. 2000;30(4):20.

Jagger J, Perry J. Making routine less risky. *Nursing*. 2000;30(2):69.
