

Susan Hughes is the business manager for the International Healthcare Worker Safety Center and for the Center's publication, *Advances in Exposure Prevention*. She has worked at the Center since April 2000, providing crucial support for the Center's extensive activities and visiting fellows program. A long-time University of Virginia employee, Susan was office manager for the Speech, Language and Hearing Center at U.Va. before coming to the Safety Center, and also worked at U.Va.'s Papers of George Washington editorial project.

Susan can be reached at 434-924-5159; her e-mail is scc2v@virginia.edu.
