Course materials are available from the Life Support Learning Center, located at 1222 JPA (old Towers Bldg.), 5th Floor, Room 5606, as soon as registration forms are returned. It is imperative that you read and understand the resource material provided. We have found that sending course materials through the mail is not always a satisfactory arrangement and strongly recommend that you make arrangements to pick up your materials. **Please notify the Life Support Learning Center if you must have materials mailed.**

No substitutions can be made after that time.** Registration is on a first come, first served basis. The American Heart Association strongly promotes knowledge and proficiency in BLS, ACLS, and PALS and has developed instructional materials for this purpose.
