Heather Burns
Addeane Caelleigh
Michelle Yoon

THREAD LEADERS

Anatomy

Melanie McCollum

Biochemistry

Joel Hockensmith

Biomedical Engineering

Michael Lawrence

Complementary & Alt. Medicine

TBD

Clinical Performance Development

Gene Corbett

Cultural Competency

Fran Hauck

Dermatology

Mark Russell

Epidemiology

Denise Bonds

Ethics

Donna Chen

Genetics

Wendy Golden

Geriatrics

TBD

Histology / CTS

Bob Bloodgood

Human Behavior

Bill Hobbs

Immunology

Tom Parsons

Infectious Diseases

Brian Wispelwey

Information Sciences

Karen Knight & Andrea Horne

Inter-Professional Education

Chris Peterson

Medical Humanities

Dan Becker & Marcia Childress

Medical Imaging

Spencer Gay

Microbiology

Tom Parsons

Neuroscience

Mark Kate Worden

Oncology

William Grosh

Pain Management

Lynda Wells

Palliative Care/ EOL Care

Leslie Blackhall

Pathology

Don Innes

Pediatrics

Bill Wilson

Pharmacology

Carl Creutz

Physiology

Howard Kutchai

Professionalism

Donna Chen

Psychiatry

Bruce Cohen

Public Health & Health Policy

Ruth Bernheim

Research

John Herr

Social Issues in Medicine

Mo Nadkarni & Dela Alexander

Surgery, General

TBD

Surgery, Neurological: John Jane, Sr.

Surgery, Orthopedic: Bobby Chhabra

Surgery, Otolaryngology: Melissa Mortensen

Surgery, Urologic: Noah Schenkman

Toxicology

Chris Holstege
