

**Mulholland Society Agenda**  
**March 25, 2009**

**Community Concerns**—open session

**Dean Pearson Present for officer transition**

- Thanks to everyone for their hard work
- Dean DeKosky sends his regrets for being away
- Great Job to all the 4<sup>th</sup> year leaders
  - You have excellent leadership abilities that will take you far
  - This was a tough transition year with a new constitution
    - You did a fantastic job forging a new relationship with the University as well as the Student Affairs office.
    - Curriculum changes are highly successful
      - Student input very important to clerkship coordinators as well as other faculty
- Looking forward to this coming year

**Closed Session Meeting**

**OLD BUSINESS**

- Elections process evaluation-unfilled positions
- Jason's final comments/words of wisdom
  - Thanks to the Old members & welcome to the new
  - Thanks to everyone who helped with this year. Accomplished a great deal, worked hard, and started some new programs with a bright future.
  - Thanks to Dean Pearson for the food provided at the meeting

**NEW BUSINESS**

**President** (Lisa Herrmann)

- Transition meetings and goal setting for the coming year
  - Overall deemed a success
  - Thanks and Congrats to everyone
  - Unfilled Positions
    - Students who wish to run will submit statements
    - At the next meeting we will vote on the statements submitted and fill those positions
  - Please Transition new officers if you haven't already done so
- Constitution changes-suggestion for upcoming year
  - Planning on a few amendments for the constitution
    - Want to make the elections process more seamless
  - If you have any amendments to be brought up, don't hesitate to talk to Lisa
- Planning meeting on Sunday, April 26<sup>th</sup>
- Introductions of Incoming & Outgoing officers

**VPs** (Emily Binns and Jon Hemler)

- Jason Woods: Last Dean's Dinner will be **May 11<sup>th</sup>**
  - Was rescheduled due to SMD 10's last shelf exam
  - Previously registered attendees will be given priority
  - Any remaining spots will be opened up for anyone
  - Hopeful that more events will be planned for the following year

**Social Chairs** (Nosheen Reza and Sam Zhao)

- Foxfields
  - Tickets

- Either through the two of them (tickets still available) or through another vendor (Greenberry's & Mincers)
  - Can't get a bus
    - Considering book one early (over the summer) for next year
- Bonfire dates
  - Can't have the same dates as last year
  - Decided on the 1<sup>st</sup> weekend in December
    - Other weekends were too close to Halloween or Thanksgiving
    - It was held in December the year before last

**Lounge Manager** (Peter Oliver)

**Community Service** (Deana Hadley and Patti Frost)

- 5K is over and it was a great success!
- Thanks for all the hard work

**SMEC** (Brad Bradenham)

- SMEC Curricular Exercise
  - Curriculum is changing in a pretty significant way
  - Faculty will listen to our suggestions
    - They take our suggestions very seriously
  - A workshop is going to be planned to look at designing a “student version” of an organ system based curriculum
    - Would like to submit this version with a presentation to the faculty
    - Probably have to be over 2 SMEC meetings
  - The sooner the meeting is held, the more we may be able to influence the change in the curriculum
  - An idea was suggested to have part of a future SMEC meeting be an open forum for the workshop
- Evan- is setting a time for an open forum with the first year class and Dr. Innes

**AAMC** (Allison Lippert and Chris Bailey)
