- Sessions are conducted by Dr. Ivan Login on the 2nd Monday, 3RD and 4th Wednesdays of this period. Students will meet Dr. Login on 6 Central at the designated time on their assigned days
- Students in the group should ***each*** choose an adult patient with signs on neuro exam signs that would be valuable and informative to explore in detail. We will not work with pediatric patients.
- ***It is the student's responsibility to obtain - BEFORE THE MEETING - verbal approval from the patient or family to have a small group examine them as a teaching exercise.*** If there are insufficient patients on your service, coordinate access to other potential cases with the senior resident on the inpatient or adult consultation services.
- Attendance is mandatory at your assigned session.
