- 2:00 pm Questions and Answers
- 3:00 pm Drawing for door prizes and Adjournment

Jim Lauder will be available to check out artificial larynges and provide minor repairs and adjustments.

Directions to Jordan Hall Conference Center at the University of Virginia:

From Route 64 East or West take exit 118B into Charlottesville. This will put you briefly on Route 250. Stay to the right and take the first exit, which comes up very quickly, onto Route 29 North. At the end of the exit ramp, turn right and continue straight-this road changes names, but eventually becomes Jefferson Park Avenue. At the second traffic light, the road forks; bear right. This is also Jefferson Park Avenue. Continue a short way down Jefferson Park Avenue and turn right at the first traffic light onto Lee Street. The parking garage is located here and is well marked.

After parking, backtrack to Jordan Hall, which faces Jefferson Park Avenue. Enter through the large entrance facing Jefferson Park Avenue, and turn right once inside the lobby. The conference center is located all the way to the right, actually in a newer section of the building-the floor will change from linoleum to ceramic tiles, and you will be on the first floor of the conference center.
