

AMBULATORY NIGHT CALL SCHEDULE

During Subspecialty Clinics students will be assigned to night call in the Peds ER. On weekdays, night call begins at 5:30 PM in hospital east and ends at 11 PM. A faculty attending will review all patients seen with the student until 8 PM, at that time the resident will continue to work with the student. On Saturday, there are two shifts, AM & PM. Assigned students will take call from 10 AM to 5PM or 5PM to 11 PM. Students will generally not work in the ER on Thursday or Sunday.
