

Resident Book List- Required, Recommended and Desirable Reading Material

Department of Psychiatric Medicine

University of Virginia, Charlottesville

Revised: 7/13/2005
June 12, 2002, May 18, 2004

Year	Required Reading (ψ) or Required Reference	Recommended References
	In August all residents will be given accounts to the APA reference <i>Psychiatry Online</i>. An electronic, computer-based source of most APA published texts, journals and guidelines. The release will be at resident meeting on August 11th. Please plan to attend the lunch, hear about it and get an access code. You will hear more about this from Veronic and Jeff.
