Employee Earnings – the number of hours and dollars for each type of pay (regular, overtime, etc.)

Before (Pre)-Tax Deductions – the dollar amount of those deductions that reduce earning before taxes are calculated.
These deductions reduce taxable income such as a 403(b) savings plan.

After (Post)-Tax Deductions —
These deductions are voluntary,
such as CVC Campaign
donations, meal card ,
Intramural Recreation fees, and
after-tax benefit elections.
These are deducted after income
tax is withheld.

Total Gross – Dollar amount before taxes and deductions are withheld.

PTO HOURS – Paid Time Off ✓ (PTO). Indicates leave earned or taken for the pay period and the balance available.
