

Cancer Prevention & Population Health (CPH)

Program Meeting

Please join us in person for a CPH program meeting. We will have another round of short “flash” presentations with new CPH members providing a brief introduction and overview of their work. Flash presentations will also be accompanied by a highlight of new CPH research funding:

“Optimizing an Internet Intervention for Breast Cancer-Related Sexual Concerns: The Sexual Health and Intimacy Education (SHINE) Trial”

Kelly Shaffer, PhD

Assistant Professor

Department of Psychiatry and Neurobehavioral Sciences
Center for Behavioral Health and Technology

Thursday, January 26, 2023
2ABC Pinn Hall, 12:00pm – 1:00pm

Lunch will be provided starting at 11:45am

[Join by Zoom](#) • Meeting ID: 944 8079 9726 • Passcode: CPH2023
