

Cancer Biology (CBIO)

Program Meeting

Please join us for a Cancer Biology (CBIO) program meeting. Brief updates and news will be followed by a presentation from Dr. Craig Slingluff, co-leader of the Cancer Therapeutics (CRX) program:

“CRX: Advancing Translation of UVA Science to Cancer Therapies”

Craig Slingluff, MD

Professor, Department of Surgery

Tuesday, May 11, 2021

4:00pm-5:00pm

[Join by Zoom](#)
